Tennis attire is preferred on all courts, although some courts have mandatory dress codes. Courts marked * require tennis whites; those marked ** require proper tennis attire. Some courts will permit t-shirts to be worn. Please enquire for details of specific dress code policy. Depending on day of week, and time of day, there is greater and lesser demand for courts; it is therefore recommended that players call well in advance to ascertain court availability and requirements for reserving courts.

Tennis tournaments are held throughout the year – spectators are welcome. For specific schedules contact the:
