Accommodation Rates: Beach & Sizzle Season 2009

All rates are quoted in US dollars. These rates are subject to change without notice. Single and Double rates (minimum & maximum) and service charges are quoted "per person per day" and Cottage/Suites rates are quoted "per unit per day", and are effective during the dates listed. More detailed information on these properties is contained in our pictorial brochure "Capture Bermuda" with location map. The Beach & Sizzle season occurs annually between the months of April to October. This rate sheet was compiled in June 2009.

ACCOMMODATION

Alphabetically listed by type (see descriptions next to each heading). All properties taking 6 or more guests are licensed and listed by the Bermuda Department of Tourism. Guest capacity figures show the number of guest rooms or units available. Many places can accommodate 3 to 4 persons in certain units. By law, no more than four guests over the age of 12 are permitted to share one bathroom. The number of guests, shown in brackets, is the licensed maximum number permitted at any one time, stipulated by the Bermuda Government.

Hotel Complaints. Complaints brought to the attention of the Department of Tourism will be investigated. The Department will assist where possible, in the resolution of complaints, but cannot act for visitors in civil matters.

CREDIT CARDS

Credit cards are accepted by virtually every shop and restaurant, and most hotels. Visitors should check in advance to ascertain which properties accept credit cards.

Hotels marked in this rate sheet with the symbol  will accept major credit cards.

CURRENCY

At the time of printing the Bermuda dollar is equal to the U.S. dollar. Exchange rates for U.K. and all other currencies, liable to daily fluctuation, are obtained from overseas or Bermuda banks. U.S. travellers cheques are cashed throughout the Island.

DEPOSITS

Two days' deposit (either for the first two nights or the first and last nights) is required by a majority of hotels in Bermuda, which may be non-refundable if cancelled less than 14 to 21 days prior to arrival date.

HOTEL OCCUPANCY TAX

All room rates, regardless of plan, are subject to 7.25% Bermuda Government Hotel Occupancy Tax to be paid on check-out from your hotel.

HOW TO BOOK

We strongly suggest you use the services of a travel professional who can greatly assist in making reservations even if you already know where you want to stay. A travel professional can book either directly with the property or with one of the package tour operators.

For your convenience, full contact details, including booking phone numbers for each property some of which are toll free to Bermuda, are posted in the "Accommodations" section of our website and also included in our "Capture Bermuda" brochure.
